

Registration Starts April 2nd!

Summer Safety Programs 2012

Monday through Friday -- June 11 to August 17

BASIC FIRST AID

Every other Monday

Students learn basic methods of applying first aid. From removing a bee's stinger to making a first aid kit, children will leave with skills that will enable them in most minor emergency

OUTDOOR SAFETY

Every other Tuesday

Learn which areas outside your home could hold hazards for you or your family. During class, students will try and find all the unsafe conditions we have preset outdoors.

WATER SAFETY

Every other Monday

Students will learn why wearing life jackets, swimming with a buddy and water safety smarts are important skills. A variety of 'water' situations are discussed. (No water activities.)

HOME & LIFE SAFETY

Every other Tuesday

Students are shown what injuries most often occur inside their home, how to find unsafe areas and what they can do to prevent accidental injuries from happening to them or their family.

BABYSITTER SAFETY

Every other Wednesday Afternoon

A special two-hour class for those 10+ yrs old. Students learn safe types of play for children and responses to emergency situations babysitters may encounter while watching young children.

SEVERE WEATHER SAFETY

Every other Thursday

Learn the difference between a severe weather watch and a warning. Students will also practice seeking shelter in case severe weather strikes during a video tornado simulation.

FIRE SAFETY

Every other Thursday

Learn what to do in case a fire starts in your home! Students will use what they learned during class to 'escape' from a bedroom window.

BICYCLE & WHEEL SAFETY

Every Friday Morning

Students learn why helmets are needed for both children and adults while riding anything with wheels. Children may use our 20" or 24" bikes & helmets or choose to bring their own.

- ❑ **New!** Daily Class Times: 9:30 & 11:00 A.M. & 1:00 PM
- ❑ Each class is approximately 1 hour (Babysitter is 2hrs.)
